Here are the slides updated with the latest System performance and structural limits per the PCRs.
This is our way forward plan.

Cheers
Sylvain

No-

We can not present non-compliance unless show we have a plan to address it prior to SOF

Pls give me a call when U have a chance

As I was preparing for the updates I just notice that these slides are actually saying that we do not comply to the structural requirement.
Do you still want to show this?

Sylvain,

Can you please update the graphs with the Flap SDS in the presentation with your latest graphs?

Thanks.

Enrique
